

Tamrotor Kompessorit Oy merges with Gardner Denver Oy

Tamrotor Kompessorit Oy merges with Gardner Denver Oy (VAT FI11079551) starting from November 1st 2019. The object of the merger is to modernize current ERP system, implement Gardner Denver's global strategy and utilize mutual resources, such as finance, HR, and marketing. All personnel transfer to Gardner Denver Oy as old employees and the business continues in the same way and at the same locations as before. The email addresses at Tamrotor Kompessorit Oy will be changed to gardnerdenver.com. The phone numbers will remain the same. The use of Gardner Denver name will increase.

After the merger, Gardner Denver Oy will have about 300 employees in Finland. Operations are located in Tampere, Oulu, Vantaa, Kolho, Kotka and Turku. In 2018, the turnover of Gardner Denver Oy was approximately 50 ME and Tamrotor Kompessorit Oy approximately 9 ME.

The merger will not affect the customers of Tamrotor Kompessorit Oy, otherwise than in invoice company name. The global concern enables modern solutions for ERP and CRM but also a wider product range which helps us to provide a better customer experience. After the merger we are even bigger and more diverse compressed air pressure system provider!
